EDUCATION

Nottingham Trent University – PGCE with QTS – 2021 - 2022

Prior to undertaking the position at BSB I spent one year in the UK completing a PGCE with QTS.

UCLAN– Master of Laws – LL.M – 2016 - 2018

I completed the master’s degree in international law during my time in China. A main focus of the degree is Intellectual Property Rights, this is an area that fascinates me, and I have a continued interest in this area of law today.

University of Northampton – Bachelor of laws – LL.B – 2010 - 2013

I thoroughly enjoyed my undergraduate degree. A qualifying law degree, it introduced me to a variety of areas of law and prepared me for life after university.
